ENROLLMENT POLICIES

La Primera accepts students for enrollment if they are 2 years old by September for the current school year. La Primera students are enrolled all year round. We do not enroll for less than one month, however we are happy to enroll at anytime as long as space is available. If you do not plan to remain for the entire school year we require a one month's notice in writing (at the first of the month) in order to avoid the next month's charge.

TUITION POLICIES

Tuition is due in advance on the first of each month. A \$30 late fee is charged after the 15th and a returned check fee of \$45 will be assessed for checks returned from the bank. No adjustments are made for illness, vacation, holiday or early withdrawal. We observe all public school holidays as well as 2 weeks for winter break and 1 week for spring break. If you plan to leave before the end of the school year, prior arrangements must be made thirty days in advance.

Parents are always invited to participate in your children's educational experience, but are not required to do so. You are welcome anytime, no appointment is ever necessary. Everyone is welcome!

One hundred years from now it will not matter what lessons were taught on Monday morning, the size of our school, how many children were in attendance, or whether we had apples or oranges for snack, but that the world would be different because La Primera was important in...

... the life of a child.

We have designed the afternoons with extra enrichment, extra stimulation and of course extra fun. We present to you a choice of classes that will offer new experiences, new skills and new friends. In the past we have offered music, science, cooking, tumbling, foreign language and woodworking, to name a few. Enrollment is optional and is for 6 weeks, with the first classes offered in the fall. The fee for the 6 weeks will include time for lunch. You may join Stay & Play after the class. The normal fee will apply.

COST: \$80.00* per 6 week class

Extended Day

Extended day is an optional program for families who attend the afternoons on a regular basis. This class meets with the same children and teacher each day. It forms a little family offering more continuity because we know who will come each day. It is a very helpful class for our young friends who may need a little extra attention. Enrollment is on a regular on-going basis. We do not offer this class by casual arrangement. The class requires a one month's withdrawal notice in writing (at the first of the month).

By separate enrollment for July and August.

Summer School

Stay & Play Programs

This program is designed for parents who need an occasional longer day or need it on a regular basis.

Mornings

Our early morning before school program opens at 7:45 a.m. daily for your convenience.

Afternoons

The afternoons are designed to be as if you had gone home to play. By *play* we mean the children tune into their own energy level, free to choose active or quiet play. Even take a nap if they like. Most children don't want to nap but space is available in case they wish to do so. On the day you stay, just bring a lunch and enjoy the fun!

You may join Stay & Play any afternoon you wish, even if it is not your child's school day. No need to call ahead, just come after 12:00 noon and sign in at the office.

Morning Hours: 7:45 a.m. to 9:00 a.m.
